PROFESSIONAL SUMMARY

With a solid foundation in the MERN stack, a commitment to best coding practices, and a passion for continuous learning, I am well-equipped to contribute to innovative and high-impact projects as a MERN Full Stack Developer. I am eager to bring my technical expertise and collaborative approach to a dynamic development team.

EXPERIENCE

August 2023 - Now

Mern Full Stack Developer

/ India, Jalandhar

As a Mern Full Stack Developer, I gained extensive experience in developing and maintaining web applications using the Mern stack (MongoDB, Express, React, Node.js). I have a strong background in front-end development and a deep understanding of back-end technologies. During my time as a Mern Full Stack Developer, I successfully delivered several projects with high-quality code and met tight deadlines.

EDUCATION

2019 - 2023

Graduation Bachelor of Technology

Guru Nanak Dev University Reginal Campus Jalandhar / India, Jalandhar

2018 - 2019

Senior Secondary

Govt Model Senior Secondary Smart School P.A.P Campus / India, Jalandhar

2016 - 2017

Matriculation

Govt Model Senior Secondary Smart School P.A.P Campus / India, Jalandhar

INTERNSHIPS

December 2022 - May 2023

Mern Full Stack Developer

Full Time / India, Jalandhar

Intern at o7service IT Company in Jalandhar for 6 months, specializing in MERN stack development. Contributed to end-to-end project lifecycles, developing responsive web applications and optimizing MongoDB databases. Collaborated with cross-functional teams, participated in Agile methodologies, and demonstrated proficiency in Git for version control. Adept at troubleshooting and implementing solutions, I am eager to apply my skills as a MERN Full Stack Developer in a dynamic professional setting.
