EXPERIENCE

Mern Full Stack Developer

2023 - Now

India, Jalandhar

As a Mern Full Stack Developer, I gained extensive experience in developing and maintaining web applications using the Mern stack (MongoDB, Express, React, Node.js). I have a strong background in front-end development and a deep understanding of back-end technologies. During my time as a Mern Full Stack Developer, I successfully delivered several projects with high-quality code and met tight deadlines.

INTERNSHIPS

Mern Full Stack Developer

2022 - 2023

Full Time, India, Jalandhar

Intern at o7service IT Company in Jalandhar for 6 months, specializing in MERN stack development. Contributed to end-to-end project lifecycles, developing responsive web applications and optimizing MongoDB databases. Collaborated with cross-functional teams, participated in Agile methodologies, and demonstrated proficiency in Git for version control. Adept at troubleshooting and implementing solutions, I am eager to apply my skills as a MERN Full Stack Developer in a dynamic professional setting.
